

Being There for Those in Need

The Friends for Charitable Giving, NFP (“FCG”), a not-for-profit organization of community minded volunteers, is proud to be hosting the 2020 Plainfield Giving Gala. Our mission is to support charitable causes in the community, help those in need within our community and have a wonderful time doing it.

Throughout its history, Plainfield has always been a caring and giving community and the 2020 Plainfield Giving Gala embodies that spirit of being there for those in need. Charitable organizations serving the needs of the greater Plainfield area could benefit from a successful 2020 Plainfield Giving Gala. But it cannot succeed without your help. So please, be generous in your support of this very worthy cause.

Net proceeds from the 2020 Plainfield Giving Gala will be distributed during 2020 to those charitable organizations and causes selected by the FCG Grant Committee and Board of Directors.
